

# Help TNC Meet The “Cash For Clinics” Challenge!

Since 2013, **The Nyadire Connection** (“TNC”) has partnered successfully with the United Methodist Mission in Nyadire, Zimbabwe to rebuild rural health clinics. To date, **four of six clinics have been refurbished**, on-time and on-budget. Work is ongoing on the next clinic, Mashambanhaka (shown at right), and we need your help to complete it. **The United Methodist Foundation of Western Pennsylvania** (“UMF”) has issued TNC a challenge grant: UMF will match up to \$25,000 of donations received by TNC by Dec. 31. To help meet the challenge, TNC will host a **one-hour Zoom webinar** with testimonials from several Zimbabweans, who will attest to the importance and life changing/life-saving capabilities of the clinics. Please join us for this event, and help TNC to **meet the “Cash For Clinics” Challenge**.
