

Thank You, St. Paul's UMC, Mt. Lebanon UMC and Dutilh UMC

Thank you for supporting the **Girl Empowerment Pad** Program of The Nyadire Connection. The Lenten Calendar project raised over \$700 for the program.

An educated girl has the opportunity to dream big and to eventually realize the dreams she once thought would be impossible to achieve.

Education catapults girls into a brighter future, creating an empowered woman capable of changing her own life, her community, and the world.

As you follow your  
Lenten Calendar,  
use this box for your coins.  
Please return this box and coins  
the Sunday after Easter.

**TATENDA!**  
The people of Nyadire  
Thank YOU!

## **GROWING UP AT SCHOOL**

The funds collected from the  
Lenten Calendar will  
be used to keep girls in  
school all year.
