

Hello, friends of TNC:

Giving Tuesday – a global celebration of giving since 2012 – **is this Tuesday, Nov. 30**, and we encourage you to remember TNC as you consider ways to share your time, talents and treasure, now and in the future. Below are a few **ways you can support TNC**:

- Organize a yard sale (personal or group) and donate proceeds to TNC
- Invite us to sell crafts at your church events; or donate items, such as pottery, for sale at our events
- Donate manual sewing machines for our Girl Empowerment program
- Introduce us to other organizations you're involved in, which might be able to provide needed skillsets
- Offer to help in your areas of professional expertise and interest
- Collect eyeglasses and help to process them for shipment to Nyadire
- Be your church's liaison with TNC: Attend our monthly Zoom meetings, read the meeting minutes and newsletters, and keep your church informed about programs and opportunities

We also ask you to **consider TNC as you plan your year-end charitable contributions**. We are beginning to raise funds for the **refurbishment of another rural health clinic**, at Chindenga, and your financial support today will help us to get this important project underway. Chindenga is the sixth and final clinic to be rebuilt with TNC's assistance; each clinic now provides much-needed water, electricity and care for thousands of rural patients. **To support the Chindenga project**, you can make a **tax-deductible donation to TNC** through this link on our website: <http://www.nyadire.org/donate.html>

Thank you for supporting TNC, as **we celebrate our 15th anniversary** of building relationships with our friends in Zimbabwe.
