

## Chindenga Clinic Dedicated Feb. 22

With the dedication of Chindenga, **TNC has completed its rural health clinics rebuild program**, which began more than 10 years ago. **Thanks to the amazing and generous support** of our donors, network churches and the global UM church, the program rebuilt six clinics, which provide critical care to thousands of residents.

Photo, left to right: **Bishop Eben Nhiwatiwa, District Superintendent Heather Zisengwe and TNC Chairman Ralph Duckworth** celebrated at the Chindenga dedication on Feb. 22.
