

The Nyadire Connection: *Hearing Innovation Program Sponsorship*

“...whatever you did for one of the least of these brothers and sisters of Mine, you did for Me.”

Matthew 25:40

“There is something profoundly important about the fact that Jesus called the poor and marginalized his ‘little brothers’. He declared a kinship connection with them so that any one of us who claim a relationship with Christ would also be automatically called to love them too...So, God’s heart is very much for those swept up in the brokenness of this world.”

Craig Greenfield

You are invited:

Will you come and follow Me if I but call your name?...

Will you let My love be shown?...

Lord, Your summons echoes true when You but call my name.

Let me turn and follow You and never be the same.

In Your company I’ll go where Your love and footsteps show.

Thus I’ll move and live and grow in You and You in me.

“The Summons”, John L. Bell

Going to school is a source of hope for the Deaf children in Zimbabwe. However, school is not free and uniforms are required. The Hearing Innovation Program provides these children with the opportunity to receive academic and vocational training and the privilege to attend school. It gives them the opportunity to learn, build self-esteem, and become contributing members of the community.

The Hearing Innovation Program Sponsorship allows these children to receive the gift of an education. Sponsors have an opportunity to develop a relationship with their “learner,” allowing you to write to and get to know your sponsored child. With each trip to Zimbabwe, we bring back updated photos, letters, and stories for you.

Pray for your child, their teachers, good health and schooling, spiritual growth, and lots of love.
