Most orphans in Zimbabwe live with extended families; however, 10% have **nowhere** else to go and are placed in orphanages. The Home of Hope Orphanage is a United Methodist initiative. In 2006, The Nyadire connection established a sponsorship program to keep the Home of Hope operational. Currently, 15 children live there. Many more are living in nearby villages and homesteads.

Donation/Sponsorship Information:

Your monthly contribution of \$40.00 will go **directly** to the Home of Hope in Nyadire for food, salaries of the workers and the administrator, school fees, school uniforms, medical attention, and utilities. Each child requires three sponsors.

Your sponsorship also allows you to write to and get to know your sponsored child, and with each trip to Zimbabwe, we bring updated photos, letters, pictures, and stories for you.

Mail in your donation with registration to the address below. You will then receive a packet with details of the child, the Home, and the Mission.

Prayers:

Pray for our young friends, Mr. Emmanuel Chiimba (our administrator), and the Home of Hope workers for good health, good schooling, spiritual growth, and lots of love – near and far.
